An Election Platform

Editor's Note: For the convenience of our readers, we are repeating the list of specific proposals for an election platform for council aspirants which the *News Review* presented for the first time last week. Each candidate has been requested to comment on these proposals. Their answers will appear next week.

City Services

1. Initiation of a vigorous landscaping and conservation program aimed at restoring and maintaining Greenbelt's park and playground areas; such a program to be coordinated with the efforts of Greenbelt Homes, Inc.
2. In view of the continuous influx of young families with small children, expansion of tot playground areas and establishment of a summer program of supervised care.
3. Construction of new play areas and sandlot ball fields in those areas, such as the North End now lacking such facilities.
4. Development and rehabilitation of Greenbelt Lake area, including construction of a park shelter.
5. Appointment of a recreation advisory council to examine the adequacy of the present recreation program and to assist the recreation department in making budget recommendations for the coming year.

Construction Program

6. A reappraisal of the total amounts to be spent for the new construction, with special attention given to the allocation of funds and determination of priority needs among the three buildings.
7. The retention by the city of a measure of control over the proper use of all new publicly-financed buildings, with no outright grants of property title to any non-governmental groups.
8. In order to assure maximum utilization of the youth center building and its facilities, establishment of city policy that all civic and recreational groups should have access to the building, with recognition given to the priority needs of youth activities.

Charter Changes

9. The adoption of those charter changes proposed by the Fair Committee that strengthen the role of the city council.

Future Development

10. Appointment of a city planning commission whose task would be to lay down adequate standards and guides for the development of Greenbelt so as to protect to the maximum the interests of the city and the public. The commission would be concerned with such matters as (a) the orderly development of the commercial center and parking areas in a manner which does not violate existing structural lines; (b) attraction of a type of industry that would be a clear-cut asset to the community; (c) preservation of wooded areas and park land to the maximum extent consistent with the construction of new homes; and (d) the furnishing of adequate roads and utilities by the developers of the vacant land.

City Operations

11. Creation of a full-time executive or administrative secretary whose task would be to provide the councilmen with research material on important policy matters to be decided, to prepare follow-up progress reports on previous directives issued or action requested of management by the council, and to facilitate the exchange of information between the city council and the city manager with respect to administrative operations and other problems and developments in city government.

1419 Voters Eligible

With the city council election less than three weeks away, the official registration figure stands at 1419, Mrs. Winfield McCamy, City Clerk, has informed the *News Review*. This figure includes those who registered during the special registration period this summer and those who had been registered previously and had voted during either of the two preceding elections. Names of former voters who have since left town have been withdrawn from the official list, Mrs. McCamy said.

The voting on Election Day, September 15, will be conducted in the Fire Hall. The council has elected Mrs. Helen M. Zoellner to act as Judge of Election and Ogden Donellan to act as Director of Count. In addition, five day clerks and five count clerks have been appointed by the council. Day clerks include Mrs. Evelyn Barcus, Mrs. Elizabeth Love, Mrs. Evelyn Barnett, Mrs. Vivian Pines, and Mrs. Virginia Branch. Serving as clerks during the count will be Lloyd Moore, Mrs. Evelyn Voigt, Mrs. Flora Willard, Mrs. Marian L. Moraz, and Mrs. Janet Parker.

Police News Review

By Russ Greenbaum

Two young teenage girls from out of town, their clothes slashed and bleeding from cuts, frantically knocked on a Greenbelt door in the North End of Town early Monday morning and claimed they had been attacked by two men. However, later questioned by Officer Joe O'Loughlin and county police, after a medical examination revealed they had not been physically assaulted, the girls admitted that the wounds had been self-inflicted.

The two girls, both with previous records of delinquency, revealed that they had been out joy riding with two boys and asked to be let out in Greenbelt where they said they lived. The girls asked to be dropped at the Center where they proceeded to slash themselves with a razor. Both girls have been charged.

The Greenbelt police have recovered from the old abandoned home on Edmonston Road eight of the 25 gum-vending machines that have recently been stolen in Montgomery and Prince Georges Counties. Each machine could contain a maximum of \$15 in pennies.

Chief of Police Jim Williams announced that his force would start to issue tickets to out-of-state cars who have been in the state for more than 30 days and have failed to obtain Maryland tags. Warnings have already been issued, but a number of cars have failed to comply.

Chief Williams also stated that the police were attempting to discourage youngsters from camping out at night in the Greenbelt area unless they have proper adult supervision. Several reports have been received that young boys camping out in the adjacent woods have created disturbances in the early hours of the morning.

The police chief and Officer Bud Zoellner in competition with about 300 police officers from various parts of the state won medals in a pistol-shooting contest at Sparrows Point last week. Zoellner garnered a first place in timed firing while Chief Williams received his medal for rapid fire shooting. The chief is encouraging marksmanship among his men and has felt that the increased amount of ammunition granted by city council has helped to improve their shooting.

Plans, Popularity Contestants Announced For Labor Day Festival

Climaxed by a threehour parade, the biggest ever held in the city, Greenbelt's fifth annual Labor Day Weekend Festival will be held from Friday evening, September 4, to Monday, September 7. This year the principal activities will be held on the Center mall with rides to be set up in the wooded area behind the statue, Eli DonBullian, Festival manager, has announced. The Festival is held to raise funds for the Youth Center.

New Social Security Office Opens Sept. 1

The County Commissioners of Prince Georges County have issued a proclamation declaring next week, August 31 - September 4, 1959 as Social Security Week. This county will be served by the new office opening officially on September 1, at 8113 Penton Street in Silver Spring. The public is invited to visit the office and their contact stations all that week for information on Social Security.

Touch Football League to Form

There will be a meeting of all managers interested in entering a team in our Touch Football League on Wednesday, September 2, at 8 p.m. at the Recreation Department Office.

St. Hugh's Defeats Phelps Stone 5-4

In the first game of a series of 2 out of 3, St. Hugh's won the game 5-4. The winner of the series will be the Metropolitan area Slow Pitch Champions and will be entitled to compete in the World Championship in Cleveland, Ohio, on the Labor Day weekend. The second game will be played at Taft Jr. High School on Wednesday.

Swimming Team

Greenbelt's swimming team lost a heartbreaker to Pleasant View last Saturday at the latter pool. Competing against an evenly matched team, the score was neck to neck throughout. Handicapped by a first place disqualification, Greenbelt entered the final event of the meet, trailing by six points. But the girls' relay team, which took the lead with the first swimmer, was nosed out by a slight margin at the finish line, giving Pleasant View the victory 117-130.

Earlier in the week, Greenbelt traveled to Mt. Rainier for non-league competition, defeating them 98-59. This makes Greenbelt one ahead in this friendly rivalry, having won once and lost once in previous meets with Mt. Rainier.

Team coach, Jack Trudeau, takes the Greenbelt team to Hillandale this Saturday for league championships. At this meet, Greenbelt will have three entries in each age group who will compete against three entries from each of the other seven teams in the Prince-Mont League. Trophies are to be awarded the winners in each age group and a trophy given to the team which accumulates the most points during the meet.

Several post-season meets are being contemplated for our local pool next week.

First place winners during the past week included:

Girls' freestyle: Kathy Labukas (both meets), Linda Cobb, Maureen Holmes, Kendra Keeney, Linda Peacock.

Boys' freestyle: Pete Regala, Ronnie Squires (both meets), Jon McElderry.

Girls' backstroke: Linda Kerr (both meets), Kendra Keeney, Linda Peacock (both meets).

Boys' backstroke: Pete Regala, Tom Hieber, Ronnie Squires (both meets), Jon McElderry.

In the strenuous Medleys, Linda Peacock placed first at Mt. Rainier and third at Pleasant View for the Jr. Girls; and Pete Regala and Tom Hieber scored points for the Jr. Boys. We did not have a girls' Sr. Medley entry in either meet; but Jon McElderry took first for the boys at both meets.

The relay teams took turns winning, the girls at Mt. Rainier and the boys at Pleasant View. The girls included: Kathy Labukas, Linda Cobb, Kendra Keeney, Carol Cobb, and Linda Peacock. The boys' team included: John Wells, John Shields, Gary Peacock, Pete Regala, Ronnie Squires, and Jon McElderry.

Ten girls sponsored by civic organizations are competing in the annual popularity contest for Queen of the Festival. An innovation is that this year the current standings of the contestants will not be announced. The names of the queen and the two runners-up will be a closely guarded secret until the announcement is made and the queen crowned on Sunday night, September 6. Votes are solicited at a penny each.

Following are the names of the contestants and the organizations sponsoring them: Vicki Goldfaden, American Legion; Lillian Castaldi, Fire Dept. & Rescue Squad; Pat Moore, Lions Club; Anne Hartman, Izaak Walton League; Ruthie Wolfe, GHT; "Marty" Hoffman, Greenbelt Theater; Barbara Thiebeau, Little League; Susan Boggs, GCS (Co-op); Marjorie Bowen, Youth Center; and Barbara Clinedienst, Greenbelt Pharmacy. The girls will be presented on two television shows—the Milt Grant Show on Channel 5 this Saturday and "In Our Town" on Channel 4, Monday, at 1 p.m.

The majorettes contest, a main feature of the Festival, will be held in the Greenbelt Armory this year all day on Saturday, September 5, beginning at 9 p.m. The table tennis tournament will be held again this year at the Armory on Sunday, September 6, beginning at noon.

There will only be two athletic contests this year, a horseshoe pitching competition and a golf chipping match. There will also be the nine-mile road run, beginning at 4 p.m. on Sunday, September 6. It is reported that applicants for entry in this event have come from as far away as New England and Texas.

The big parade on Labor Day, which is being organized by Ted Pugh, will have a band and two fire and drum corps. There will be a number of participants but fewer fire fighting vehicles. Master of ceremonies will be Bob Hurst, former city councilman.

Other events to be held again are an exhibit, a square dance on Saturday night on the handball court and a talent contest. Rides will include a Ferris wheel, a kiddie ride, and an adult ride. There will be no swimming meet held.

A total of 40 local and county organizations are participating in the Festival. Although there will be fewer activities this year, Don Bullian has stressed the fact that this year's Festival will stress "quality rather than quantity."

9 Mile Marathon

The 3rd Annual Greenbelt 9 mile marathon, being sponsored by American Legion Post 136 will be held on Sunday September 6 at 4 p.m. The start and finish will be on Braden Field. Meet director Warren Leddick has received some top entries for this year's race. Two time winner Browning Ross has entered again but is expected to receive some tough competition from Alex Breckenridge, former champion of Scotland now competing for the U.S. Marines. Breckenridge is also a member of the Pan-American track team. Also representing the Marines will be Glynn Wood who placed fourth last year along with Mike Fleming, former Nebraska University star, and John Kopil, who recently won the All-Marine 3,000 meter steeple chase. Entries have also been received from William Cocke of Houston, Texas, George Foulds of Pittsburgh University, and David Pistenma of North Medford, Massachusetts. Also entered is Jack Barry of Upper Darby, Pennsylvania, who finished third last year. Entries are still coming in for the race, which is written up in several world wide track publications as the Marathon of the south.

Baptist Church News

On Sunday, August 30, at the Baptist church, the pastor, the Rev. Glenn W. Samuelson, will preach on the subject, "The Meekness of Our Lord," during the 11 a.m. morning worship service. "The Summer Is Ended" is the title of the sermon for the evening service, which begins at 7 p.m.

The month of September promises to be a very active month for the members and friends of the Greenbelt Baptist Church. For one thing, it will be music month, when the four choirs (Cherub, Carol, Concord, and Church) will be reorganized. During September also the leaders of the Sunday School will hold a Sunday School Workshop on September 8, 10, and 11. During this time the past records will be reviewed and plans for enlargement will be made. An attendance goal of 300 in Sunday School by Sunday, October 18, the sixth anniversary of the church, is being worked for.

A Sunday School picnic is scheduled for Saturday, September 12. The church choir will journey to Rebooth, Maryland, for a retreat on Saturday, September 19.

Michael on TV

Five year old Michael Garin, 10-A Hillside, appeared on Ranger Hal's television program, Saturday, August 22, at 8:30 a.m.

PG Library Sponsors Free Film Program

As one of its first events of the season, Prince George's County Memorial Library will sponsor a film program at Lansburgh's Adelphi Room in Langley Park on Wednesdays at 12:30 p.m., beginning September 9, and continuing through October 28. The public is invited, and admission is free. The films to be shown are a sample of those available to groups and organizations for use in their programs.

The first program, on September 9, will feature two films. *The Stratford Adventure* shows how the idea for the Shakespeare festival in Stratford, Ontario, developed. The famous music center in the Berkshire Mountains of Massachusetts is the subject of the second film, *Tanglewood*. Anyone who has visited the annual music festival will want to see and hear again famous musicians at work. A film program on animals—a scientific study of penguins in the Antarctic and a French legend about a magnificent white stallion—will be followed by a program of imaginative film techniques and another dealing with subjects of historical interest. In October, a series of biographies will be shown, of such people as Albert Schweitzer and Helen Keller.

COMMENT & SUGGESTIONS

To the Editor:

Although I am not a candidate for a council seat in the forthcoming election, I would like to comment and make some suggestions on your proposed Election Platform.

You think that a budget-cutting policy is false economy. Perhaps in the sense in which it was applied you are correct. But if the cutting was applied in other places it would not be so foolhardy; as too many and too highly paid employees. I say if the salaries of the unnecessary employees were applied to the problems which you quote, the town would not have suffered the deterioration of which you speak. (In this respect I feel that I know whereof I speak, having served six and one-half years on the Town Council of College Park. I feel that a laborer is worth his hire. I also believe he should produce equally well.)

Are the taxpayers of Greenbelt getting what they pay for? I think not.

I cannot agree with your request for a recreation advisory Council. It is sufficient for the council members and the citizens who are interested in the program to do the advising.

I agree wholeheartedly with your view on the construction program. If anything I think the town should provide also an adequate fire fighting equipment. (Not for show material.)

Under Charter Changes, I cannot agree that the report the committee headed by Mr. Fair should be adopted. It would delegate the authority of the Council and the Manager to an appointed committee.

You suggest further changes in the Charter. I feel the present Charter is inappropriate to the present City of Greenbelt. I would suggest that the new Council work to have an entirely new Charter submitted to the voters at the general election two years hence.

As for a planning commission, I feel that the elected council could do an adequate job along the lines you suggest.

You suggest a full time administrative secretary, I would like to inquire of you, why do we hire a manager? I feel that the present manager is a perfectly capable employee to do the things you suggest of another superfluous employee.

I therefore hope that the candidates for election will study your suggestions carefully before committing themselves. I sincerely hope that they will have some thought of economy, because it is hard for me to understand why I pay more taxes on a twenty-four hundred dollar investment in Greenbelt than on a twelve thousand dollar investment in the largest incorporated city in the county.

Nursery School Meets

A meeting for members of the Greenbelt Nursery School will be held at 8:30 p.m., Monday, August 31, at the Bernstein residence, 123 Northway. Planned primarily as a get-acquainted meeting with the new teacher, Mrs. Lisa Dalton, 11 Northway, the meeting is also open to other people who are interested in the co-op nursery school. The principal topic of discussion will be the role of the helping mother. Refreshments will be served.

FESTIVAL ART SHOW

To the Editor:

Soon we shall have another Labor Day Festival and an opportunity once more to have a gala art exhibit, a continuation of a growing tradition in Greenbelt that occurs every September. In each exhibit we discover new talents among the townspeople. We attract new people and perhaps stimulate others to make a beginning. Although the art exhibit is only one part of the Labor Day Festival, it carries greater responsibility than may be judged only by numbers of participants. The art exhibit displays the cultural condition of the community.

I am especially eager that we sustain this type, that we increase it, and give it full rein to enrich our lives.

I appeal for participants on the Labor Day weekend. Let us have all who paint, sculpt, and design in any form and manner join with us in a colorful show in front of the Center School.

The exhibit will extend for three days between the hours of 2 to 6. I shall be there to receive work the first day which will be Saturday at 1 p.m. The mechanics for joining the show are simple: just bring your work at the appointed hour and pick it up at 6 each day. We have stands available and arrangements will be made for presenting any type of exhibit. As in previous years, awards will be given to outstanding work of all kinds. The show will include the work of children, as well as adults, beginners, and experienced ones. In short, all who have examples in any of the arts and crafts. Greenbelt is growing in population and our hope for a larger presentation than ever is well warranted.

OPEN HOUSE FOR RATZKINS

Friends and neighbors of Edith and Jack Ratzkin, who are moving from Greenbelt, are invited to attend Open House at the home of Mr. and Mrs. Jack Sanders, 17-J Ridge, on Saturday, August 29, at 8 p.m.

Leddick To Attend Recreation Congress

Warren G. Leddick, Director of Recreation, will participate in the 41st National Recreation Congress which will take place in Chicago, Illinois, September 28 - October 2. Mr. Leddick will be the Chairman of the session on Problems of Administering the Small Recreation Department.

The Congress is held annually to give volunteers and professionals in the field of recreation an opportunity to meet and discuss all phases of recreation. "Recreation in an Expanding Leisure" is this year's theme.

BOND ISSUE REFERENDUM

The following information has been prepared at the direction of Greenbelt City Council.

Why Is a Bond Issue Needed?

With the sale of the community building (Center School) to the Board of Education of Prince George's County the City acquired \$260,000.00 to be applied toward the construction of a municipal office building, a youth center building and a fire house and rescue squad building.

The current estimate for the cost of the fire department and rescue squad building, including site and roadways, is \$141,000.00, and the youth center building, including site planning and roadways, is \$166,000.00 for a total of \$299,000.00 for the two buildings. Additional funds of \$39,000.00 above the \$260,000.00 acquired from the sale of the community building are needed just to complete these two buildings as presently visualized.

The cost of the proposed municipal office building has been estimated at about \$133,000.00 including site improvements.

The bond issue referendum has been set at \$200,000.00 to provide a maximum flexible enough to cover all contingencies; however, if the maximum figure is approved, the City would not be required to obligate itself for the full \$200,000.00 but would offer for sale only the amounts needed to construct the buildings.

What About Maintenance The Last Two Years?

What has City Council done to alleviate the ills of two years ago. Let's look and see

1. Holes in the streets are bigger and the bumps bumpier.
2. Grass and weeds along the streets are still allowed to grow unchecked.
3. Dust rises in clouds from our so-called playgrounds.
4. The gardens in the Mall look like a jungle. (P.S. Only a week ago they were finally weeded for the first time this year, but apparently for lack of shears the hedges couldn't be cut.)

Is this really the Greenbelt you want to show your friends from out of town? It is high time we had a re-appraisal of services being rendered, something heretofore neglected. Be it a shortage of funds or manpower — let's check it!

Taxpayers from all sections of Greenbelt who have long been looking for the "once beautiful Greenbelt", for street and playground repairs, had better stand up to be heard and counted. Unless there's a change, there is going to be plenty of coughing in the "Dust Bowls."

Birthday greetings to Natalee and Vicki Fisher, celebrating their eleventh and seventh birthdays respectively in August.

On the pretext of showing her recently acquired collection of Florida souvenirs, Raye Algaze,

4-8 Hillside, invited Alice Kovalchik to her home on August 15, only to let her be confronted by a gathering of neighbors and friends who welcomed her to a surprise baby shower. Needless to say, Mrs. Kovalchik received many lovely gifts for the expected baby. Games and refreshments rounded out the party, which was co-hosted by Virginia Klem, 4-D Hillside.

Birthday greetings to Becky McCarl, who celebrated her eighth birthday.

Charles H. Wainscott, Jr., 24-D Ridge, a student at Franklin &

Marshall College, will attend the Lambda Chi Alpha fraternity's sixth biennial Management Training Seminar at DePauw University on August 30. Designed primarily for undergraduate chapter officers, the six-day school will feature classes on scholarship, finance, chapter operations and public relations.

Alice Goldberg, daughter of Mr. and Mrs. Lawrence L. Goldberg, 14-L Hillside, performed the "Turkish March" by Mozart in a recent recital at the New England Music Camp in Oakland, Maine.
